

INSTRUCTIONS FOR MAKING 4 C FILMS / CD FOR LAMAS

Make sure all the requirements below are adhered to before you output the necessary films and / or CD...

- 1. Follow the size dimensions as per the PDF files.**
- 2. Images at 300 dpi at full size – most important**
- 3. If you are sending films we need full size films and a colour proof.**
- 4. 2cm bleed on all sides so we don't see white colour after cutting.**
- 5. if you are sending the cd make sure it contains the fonts files.**
